

1157 Hetherington Road Huntly NZ

4  1  2 

This character home has a rustic feel which blends impeccably with the modern lifestyle of today. This country sweetheart is nestled in a private setting on approximately 2 and a half acres. You enjoy a restful outlook from a sheltered recreational/entertainment area that spills seamlessly from open plan indoor living. With a freshly painted exterior, and modern inside theme, the native timber floors are raw and exposed, fitting in with the indoor/outdoor flow of country living. The work and time invested into this home gives this genuine treasure a youthful vibe.

With 4 bedrooms, 1 bathroom and second toilet with hand basin, this home is more than adequate to suit a larger family. The local country school is ideal for the young ones, and buses conveniently transport to schools for the older children.
